

BEGINNERS CROCHET: Sunflower Blanket

FAQ's

I have not even held a crochet hook before – can I join?

Yes - we've designed this course especially for YOU!

Before you begin this course take a look at my FREE **Introduction to Crochet** course - it will teach you all the basics and you can go back and re-visit it at any time.

When does the course begin?

Places can be booked at any time; there's no set start date with this course.

What is the course fee and can I pay monthly?

The course fee is a one-time payment of £65 – there's no monthly payment option for this course.

What yarn will I need for my blanket?

This blanket is worked in an **Aran weight** yarn, and I'm using **Kremke Soul Wool** in the videos. Any Aran yarn would be suitable for this project and I'll guide you through how to choose your colours at the beginning of the course.

Can you help me choose a yarn?

Sadly, I can't help individuals choose their yarn as everyone has different budgets and preferences.

You can use any **Aran** weight yarn for this blanket, look for a yarn that requires a 5mm hook and choose a brand that has a fibre content and colour range that appeals to you.

I generally recommend a 100% wool or a wool mix for a beginners project. Cotton is less easy to work with.

How much yarn will I need?

I've made the blanket shown using **Kremke Soul Wool** which is an Aran weight yarn, using 6 colours in total.

These are rough estimates of the amounts I've used for each colour: more detailed information is included in the course content.

YARN A: 70gms

YARN B: 60gms

YARN C: 100gms

YARN D: 230gms

YARN E: 280gms

YARN F: 100gms

The amount you use may vary to mine depending on which yarn you choose and your tension.

Is the yarn included in the price?

No, you will need to purchase your yarn separately.

How long will this blanket take to make?

This will depend on how much time you have available, how quickly you learn and how fast you can crochet! On average this blanket may take a beginner two to three months – but it's YOUR project and you can take all the time you need.

Does this course have Zoom meetings?

No, not in this course. Zoom meetings are available in my **Wallflowers, Homage to the Granny Square** and **Gloria Capelet** online crochet courses.

Do you include left handed instructions?

Yes! Every lesson includes a left handed version.

Do you use UK or US terminology?

As a UK designer I work with UK crochet terminology- but it's not difficult to switch – the stitch diagrams remain the same- and I'll be reminding you throughout the course which stitches we're using so you won't get confused!

Can I gift this course to a friend?

Yes! Absolutely! Click the 'Gift a friend' option on the sales page.
